PATRON'S MESSAGE

Chairman, Mangalam Group of Educational Institutions

The vision and mission of our institution is for the liberation and enrichment of our nation. From ignorance to truth and from darkness to light is the motto that guides every Indian. The unity sown on the pages of this newsletter is a great endeavour that inspires our educational insights. I wish all success and appreciation for all those who have been behind its inception.

With warm regards

Mr. Biju Varghese, Chairman, Mangalam Educational Society

PRINCIPAL'S MESSAGE

Mangalam College of Engineering

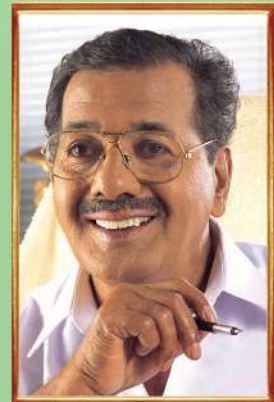

I congratulate the vision behind the setting up of the 'Mangalam Educational Society' comprising the wide spectrum of educational institutions in the single campus of 'Mangalam hills'. Happy to see that all these institutions occupy renowned positions in the state. I pray for further growth and prosperity of the Engg college and other institutions of the campus in the years to come.

The campus wide newsletter published regularly serves to keep up to date all its happenings and state of the campus.

Let this remain a great resource for alumni to stay connected with the campus. I take this opportunity to congratulate the Editorial Board and the contributors for the initiative taken to bring out this newsletter in its beautiful present form.

With warm regards Dr Mary Thomas

OUR FOUNDER

**Late Shri. M C Varghese,
Founder Chairman, Mangalam
Group of Educational
Institutions**

Established in April 1969 by Mr. M. C. Varghese, is an extraordinary visionary with social commitment and dedication. The pioneering vision and academic activities of Mangalam led to the emergence of a number of educational institutions in the higher education sector of Kerala, giving more options for higher studies.

EDITORIAL

'God is in his heavens and all is right with the world', and 'the best is yet to come' are the indelible slogans of optimism given by Robert Browning, the Victorian poet. Centuries later by christening a college as Mangalam, our beloved founder too had the vision that everything could be well if trained, attuned and pruned by the hands of education and thus life would be on the smooth road of solace and spiritual enlightenment.

This is the guiding spirit of the Mangalam family. Big or small, talented or less talented, economically blessed or a little less blessed, all of us are here as brothers and sisters under the canopy of brotherly love that shares the incarnation theology that there should not be any big and great reality that cannot be shared. When we read in our emblem, 'Vishwa Sastra Prathishitham'— Dedicated to the cause of the world of science - we feel that we are a chosen people with a special commitment for scientific liberation. So also, daily when we adorn ourselves with the I card that bears – inspire, imbibe and innovate, we are reminded of a stirring spirit of God in us, who must transform us to be the catalyst of the world.

It is these great realization that make us to be united in our endeavors to be the solace and strength of each other in the budding of our personalities for being a great gift to the world. More than a college, ours is a home. It is the family spirit of Mangalam, it is the team spirit of our faculties, that is the strength behind this Bulletin too. There is no achievement that is not shared here; there is no program on the campus that has not witnessed the full blooming of the collective responsibility of each faculty either in the way of artistic performances or in organizing caliber. The availability of each educational institution in the campus – the CBSE School, State school, B.Ed College, M C Varghese Arts and Science College, Mangalam School of Architecture and planning (MASAP), Mangalam College of Engineering and Mangalam Management Studies – for any educational program is a model to behold. The excellence of our Childrens' academic achievements are a result of our team spirit..The meets of H.O.Ds', the guidance , corrections and meticulous care given to the daily running of this family is matchless.

The great and arduous care that the management put in to bring the thriving placement cells in our campus so that our children be rooted in a firm footing after their education and the constant call on parents in the form of "open House" or even personally in particular situations are the prime moments, when this house of wisdom gets inspiration from interactions with the wards of children. Time and again great resource persons of repute in different subjects , both from India and abroad, are in this house as monuments of great eye openers to children to prop up their innovative spirit and urge them for a universal phase by liberating them from the insularity of outlook.

We believe that this bulletin is a rich and delicious banquet with varied dishes of variegated flavors. Here is gods' plenty in the form of the profusion of wisdom and the sense of practical prudence as the spirit of this house. We are well aware that formation is through information .That is why "let good things come any quarters" attitude is flowing on these pages.

MESSAGE FROM THE VICE PRINCIPAL

Mangalam College of Engineering, riding confidently on the reforms introduced, again achieved major mile stones this year. Various workshops and departmental activities conducted in various departments have improved the technical skill of the students as well as the teaching faculties. I am sure that this new campus newsletter is going to be a fruitful exercise for us which will help us in knowing and appreciating achievements of different educational institutions under Mangalam Education Society. This new year brings a renewed hope to our aspiring young minds with new infrastructural activities in the campus.

I congratulate and appreciate the hard work of team behind Mangalam news letter.

with warm regards Prof. Manoj George

MESSAGE FROM THE EDITORIAL BOARD

The soaring wings of Mangalam Bulletin get flapping its wings due to the un-stinging support of the near-by institutions, the budding artists, writers and a host of others who have been behind its birth from the moment of even its ideological birth, we hope the sights and sounds that din on these pages be ever tantalizing and be the heard melodies of sweet that lead to the sweeter ones of the unheard ones. The vitality of unity, love, peace and serenity that are flowered in the vitality of this organism is really a moment of Mangalam bearing a sense of completion, confidence and comfort that springs us into the daring steps for the next editions of this great endeavour. While with all humility and prayer, we appreciate the benevolent and generous hands of the patron and the management who have been behind us in the timely release of this edition, we also apologize for the omissions and inadvertent mistakes that happened to be in this edition. Thank you.

DEPARTMENT OF APPLIED SCIENCE

Teaching techniques redefined

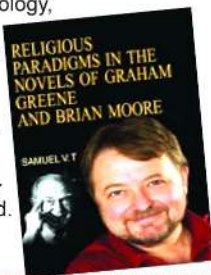

Under the guidance of the department of basic Science and humanities a workshop was organized for the teachers and teacher trainers. The aim of this workshop was to abreast the teachers with the teaching techniques and the current pedagogical methods and trends in physical and mathematical sciences. This workshop was inaugurated by Dr. V V Rajashekaren Pillai. The classes were handled by Dr. E Krishnan, Prof. V P N Nampoothiri and Dr. Joseph T Moolayil. Amrutha Viswa Vidhapitam Teachers gave a demonstration on virtual lab. It was attended by more than 120 teachers and students.

NITEO – Celebration of The Year of Light

As part of the UN Light Year Celebrations the department of basic science and Humanities of Mangalam Engineering college has taken the lead in conducting a one day seminar and demonstration for the higher secondary and college students on the 30th October 2015. This seminar was inaugurated by the emeritus professor of the International School of Photonics, CUSAT, Professor VPN Nampoothiri.

Dr. Samuel V.T has published a book entitled "Religious paradigms in the novels of Graham Greene and Brian Moore", using the critical tools of Reader Response Theory and Gestalt critical principles, the novels are analyzed at the back drop of the catholic theology, elucidating the concept of perfect humanity and its possibilities in the contemporary world.

NSS refreshed its journey at Mangalam Campus

NSS unit inauguration was held on 6-10 - 2015 from 10.15 to 11.30 am by PROF. Dr. CYRIAC THOMAS, Former Vice Chancellor, MG University. It was inaugurated by PROF. Dr. CYRIAC THOMAS. Also, NSS one day orientation camp was held on 10/10/2015 from 9.30 am to 3.30 pm to motivate the students to get involved in social activities. The camp was inaugurated by Mr. SHAJAHAN C M (Associate professor, Holy Kings college of Engg, best programme officer-KTU (2014-15), NSS state award holder).

Activities

10 NSS volunteers of MLMCE donated to the blood bank of Matha hospital, Thellakom, Kottayam on 24/10/2015

INGENIOUS 15 REPORT :

As a part of commemorating Birth Day of Dr. APJ Abdul Kalam, NSS unit of Mangalam College of Engineering has organized INGENIOUS 15 - State Students Congress on October 15. A brief description about Dr. APJ Abdul Kalam's vision was introduced by NSS program officer.

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

Boutique – de – confiance

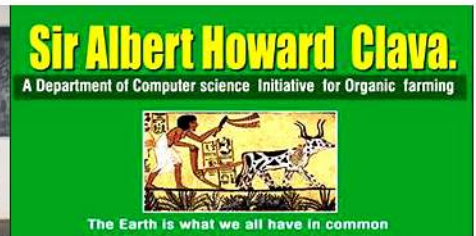

A honesty shop under the initiative of CSE Students has been started and it has been playing a vital role in developing student's honesty in business and transactions.

Seminar on Technical Writing Skill - Professor Harvey Starkman, Seneca College, Canada

Mangalam College of Engineering in association with our international partner institute Seneca, Canada organized a workshop for UG, PG Students and faculty members. The Topic was Five Major Errors in writing and How to Prevent Them.

Campus Welcomes Organic Farming

In order to support the organic farming the CS Department has started 'Sir Albert Howard Clava' Club. The objective is to inculcate an interest towards organic farming among students and youth. The exhibition held - HARITHABHAM under this club has distributed new hybrid seeds of different varieties of vegetables for the staff and students.

Search for Post-Modern Teaching Techniques

The Department of Computer Science has conducted a Faculty Development Programme on student counselling methods, "A NEW DIMENSION IN APPROACHING A STUDENT" Resource person was Dr. Jins Mathew, Residential Counsellor & Clinical Psychologist of Mangalam Campus.

In Search of E- Learning Techniques

Department of CSE has conducted a five days Faculty Development Programme on "NMEICT & OTHER E-LEARNING RESOURCES FOR CLASS ROOM INSTRUCTION" during 1st June to 5th June 2015 at Mangalam College of Engineering, Ettumanoor, Kottayam in collaboration with National Institute of Technical Teacher's Training & Research, Chennai (MHRD, Govt. of India). Resource persons were Dr. V Shanmuganeethi and Dr.G Janardhanan of NITTTR.

Prof. Vinodh .P. Vijayan, presented a paper titled "Design of Collision-free Nearest Neighbor Assertion and Load Balancing in Sensor Network System" at Fourth International Conference on Eco-friendly Computing and Communication Systems (ICECCS-2015) 7,8 December 2015, NIT Kurukshetra, Haryana, India along with Mr. E. Gopinathan.

Embellishing Activities

Department of Computer Science and Engineering conducted following activities on 11th Sep 2015,

1. MOU signing ceremony with ICT Academy, Trivandrum.
2. Inauguration of 2015-2016 academic year activities of Department Association.(Mangalam Association of Computing - MAC)
3. Inauguration of Computer Society of India (CSI) Student chapter
4. Launching of CSE communications INBOX.
5. Inauguration of incubation centre (Research & Incubation for Startups & Consultancy-RISC)

Mr. Santhosh Kurup, CEO of ICT academy was the guest of honour.

STUDENT PROJECTS

WEB BASED HOME APPLIANCE CONTROL THROUGH INTERNET OF THINGS

Manzoor Samad of CSE, 2012 – 2016 batch has designed a web based home appliance control system which shows potential to control, network and automate home appliances (Electric Appliances) through internet under the guidance of Prof. Vinodh .P. Vijayan, HOD, CSE Department. It is achieved by interfacing the internet with embedded systems. Here a Web based Home appliance control system is implemented to show the remote controlling of home appliances over the web. It can be organized intranet as well as internet based.

DEPARTMENT OF MECHANICAL ENGINEERING

Publication

Prof. Manoj George, G.Elias Kochimoolayil, N.H. Jayadas, published an article on MECHANICAL AND THERMAL PROPERTIES OF MODIFIED KAOLIN CLAY/UNSATURATED POLYESTER NANOCOMPOSITES in the Journal of Applied Polymer Science (2015), Wiley Periodicals. Inc

Mr. Harikrishan A.R. Published a Text Book titled "A Text Book of Design of Machine Elements" for final year Mechanical Engineering students.

Mr. Subin George Mathew Published a Text Book titled "Text book on Industrial Safety" as per MG university Syllabus for final year Mechanical Engineering students.

Our Researchers

1. Mr. Shijo Thomas is currently perusing PhD from VIT University by doing a research work for ISRO in the area Al-CNT MM Composites by powder metallurgy.
2. Mr. Vipinraj A.R is currently perusing PhD from Bundelkhand University, Jhansi by doing a work in the area of alternate refrigeration.
3. Mr. Renju Mohan is currently persuing PhD from NIT Calicut

FACULTY PUBLICATIONS

Mr. Shijo Thomas published a journal titled "Comparison of experimental study of weldments of AL6063 in MIG and TIG welding using taguchi method" along with Dr. David rathnaraj in McGraw Hill Education (india) private limited. ISBN (13): 978 – 1 - 25 - 905850 -9 and attended Two day national symposium on COMBATING CORROSION organized by school of mechanical and building science VIT UNIVERSITY (3RD AND 4 TH MARCH 2015)

The thread winder – The innovation begins

The first year students have shown their mental mettle through their innovative project "The twine winder and cutter" This innovation has helped the exam cell and so many other places where threads are widely used. This minimizes the manual activity there by cutting the thread quickly.

STUDENT PROJECTS

HANDS FREE SCOOTER

As a part of the academic career the students Aravind Sudheesh, Shijo M Thomas, Arun V Krishnan and Ajith Scariah of 2011-2015 batch, designed and fabricated a hands free scooter under the guidance of Assistant Professor Mr. Arun Jose of Mechanical Engineering Department. The vehicle can easily controlled using legs. This project was selected as the best project of mechanical department in the academic year 2014-2015

"SWACH BHARATH SWARG BHARATH" 2015 CAMPAIGN
We, Mechanical department of Mangalam College of Engineering took over this mission as "Swach Bharath Swarg Bharath 2019" across Kerala including more than 30 schools and 10000 school students. Swach Bharath Swarg

WATER COOLER FROM THE DEPARTMENT

The students Pramod Thomas, Abin J Raju, Suresh Bhaskar and Rahul Prakash of 2011-2015 batch mechanical designed and fabricated a water cooler in low cost with an eco friendly refrigerant under the guidance of Assistant Professor Mr. Vipinraj A.R of Mechanical Engineering department.

DEPARTMENT OF ELECTRONICS & COMMUNICATION ENGINEERING

Teaching through Graphics— An Updated concept

The department of ECE conducted a two day workshop on "LabVIEW". It provides the state-of-the-art way to effectively teach and learn basic and advanced concepts using a graphical programming platform. The objective of faculty development program is to present theoretical and practical concepts and hands-on in LabVIEW intended to teach participants tools of LabVIEW with an emphasis on various applications. This Faculty Development Programme will introduce the fundamental principles of graphical system design using NI LabVIEW.

Major Activities:

1. ALUMNI MEET - on 27 Dec 2015 - 2006 batch onwards attended.
2. KSCSTE awarded fund for the student project 'ELECTRIC LINEMEN SAFETY' done by Jidhin John, Jithin Jose, Jerin J , Mohammed Diab under the guidance of Asst. Prof. Jinu Isaac Kuruville.
3. TESLA 2015 - Technology Upgradation & Skill Development Programme for Laboratory Instructors, conducted on 27-29 May 2015.
4. The Life Membership for College in Professional bodies ISTE & IETE

E-SMART 2K15 - Empowering the women

As part of extension activity of ECE department, we conducted one day public awareness program for women. This program served as a unique facilitating opportunity for all women to become aware about the efficient and safe usage of electronic and electrical equipments. The session was inaugurated by Ms. Rosamma Sibi (Vice Chairperson, Ettumanoor Municipality) and Ms. Lovely George, Ms. Beena Shaji (councilors), Ms. Toshma Biju Varghese (Managing Editor, Kanyaka), College Principal Dr. Mary Thomas and Prof. Asha Panicker (HOD, ECE Dept.) delivered the talks

FDP makes Ideas Innovative

An FDP on "INNOVATIVE RESEARCH IDEAS IN MULTI DISCIPLINARY AREAS" was conducted on July 9 & 10, was organized to give an idea about multidisciplinary research areas for electronics engineers. Faculty members of engineering colleges, final year PG students and research aspiring persons were the participants. This program exposed the participants to multi-disciplinary, innovative and challenging research areas also familiarized the current trends in Electronics industry both in national and international level.

Prof. Asha Panicker is appointed as Academic Auditor KTU 2015-2016 & Chairman, PG(VLSI,AE,SP), Kottayam Cluster,KTU 2015-2016.

STUDENT PROJECTS

THE SMART SPEED GOVERNOR

The Smart Speed Governor is a project done by Asish Mathew Johnson, Ashitha V, Aparna Jose and Anuja Jacob of ECE S7 A 2012-16. It is an electronic speed governor which uses RF

Communication technique for the identification of areas where speed control is to be established. The advantages of the project are that Humps can be avoided, maintenance of sign boards can be avoided, traffic instruction such as informative sign can be avoided and most important of all over speeding in speed controlled zones can be avoided. The project got selected into the top 25 projects listed at a state level, for YUVA MASTER MIND 2015, also got selected for KTU TECH FEST preliminary round. It was also presented in SRISHTI 2015 and ASTHRA

DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

Tech Fest became a feast of Electronics

A techfest named Eleplode was conducted on 11th and 12th August 2015 which included various programs like technical quiz, bestperformer, circuit debugging and best electrical engineer. A project exhibition was also conducted by the students of Electrical Department.

Alumini @Mangalam

Alumini meeting of 2002-2006 BATCH of electrical and Electronics department was conducted on 30/12/2015 at seminar hall. Dr Abraham Chettissery, Legal advisor of Mangalam College of Engineering presided over the function.

FACULTY PUBLICATIONS

● Mr. Phejil.K.Paul and Ms. Anju Susanna Jacob. presented a paper on " Hardware implementation of single stage power factor correction boost converter" in International Conference On Emerging trends in Engineering and Technology at Trivandrum on 13/09/2015.

DEPARTMENT OF CIVIL ENGINEERING

Achievements of students

Nithin K. Joseph, Geethu Lal and Divya Lekshmy Gopinath participated in the National Level Project Expo conducted by IEDC # VISAT on 20th March, 2015 at VISAT, Elanji.

Nithin K. Joseph, Geethu Lal and Divya Lekshmy Gopinath participated and reached final Round of SRUSHTI 2015, National Level Project Exhibition competition organized by Saintgits college of Engineering, Pathamuttom.

Amith M.M and Rosh Reji participated in the Astra 2015-Technical fest conducted by St Joseph's College of Engineering, Pala.

MAJOR ACTIVITIES OF CIVIL DEPARTMENT

Reinforce 2k15 conducted as a part of College level Tech fest PRAGYAN 2015 , august 11&12 , 2015 at Mangalam College of Engineering, Ettumanoor, Kottayam & a technical exhibition was organized by our students.

Civil Association "MASS" inaugurated by Mrs. B.G. Sreedevi Director of NATPAC, as a part of Reinforce 2k15, February 2015 at Mangalam College of Engineering, Ettumanoor.

A Refresher for Faculties

Five Days Faculty Development Programme on "NMEICT & OTHER e-LEARNING RESOURCES FOR CLASS ROOM INSTRUCTION" conducted during 1st June to 5th June 2015 at Mangalam College of Engineering, Ettumanoor, Kottayam in collaboration with National Institute of Technical Teacher's Training & Research, Chennai (MHRD, Govt. of India).

Placements : Pooja Liz Issac topped in CAT Entrance Exam and selected for higher Studies in Indian Institute of Management Kozhikode (IIMK).

MANGALAM COLLEGE OF EDUCATION

Achievements of Faculty Members

Mrs. Asharani. K., submitted Ph.D in Education On 2015

Resource Person : One day seminar on Research Methodology held at Nirmala College Muvattupuzha in November 2015.

Ms. Elizabeth Joshua submitted Ph.D in Education on 2015

Books Published : Book on " Psychology of Learning" . , Book on " Essentials of Educational Psychology".

Mrs. Manju Joseph submitted Ph.D in Education on 2015.

Book Published: Published a book on "Information Technology in Education: An Introduction" (2011). Marangattupilly: S.G.Publishers .

Student Extra Curricular Achievements

Mrs. Preethi, M.Ed student qualified UGC NET (Education) in 2015. Ms. Reshma Sathesh (M.Ed) and Shari Krishna(B.Ed) qualified CTET in 2015

Cavalcade of Campus Events

A seminar was conducted for M.Ed students on August 11,2015. It was presented by Dr.Premnath, Professor, La Trobe University, Melbourne, Australia on the topic 'New Trends in Education'. A class on 'Organic Farming' was organized on September 11,2015. Mrs. Sherly Zacharich, Agricultural Officer Ettumannor, shared her views and distributed seeds to the students and staff.Our students visited J.B.L.P School Peroor for studying Midday Meal Programme as part of their B.Ed project.

COMPREHENSIVE ENGLISH LEARNING FOR TEACHERS - Dr. Peter Mathew, Principal

Mangalam College of Education would like to launch an ambitious project called CELT(Comprehensive English Learning for Teachers) with the desire to make every teacher trainee to become competent in English. CELT is an add on course where the skills are practiced through 'monitorial system'. 'Each one teach one' is also a motive behind CELT where the students themselves exchange their skill with each other and will be monitored by the faculty members. After proper evaluation, each participant will be given proficiency excellence certificate of the Mangalam Education Society.

MANGALAM MANAGEMENT STUDIES

INDUSTRIAL VISITS AND ENVIRONMENTAL VISIT

- On 30th October 2015, the students of the batch of 2015-17 visited TRAVANCORE CEMENTS LIMITED, NATTAKOM and J-YES FARMS, NEENDOOR.
- On 21st November 2015, the students of the batch of 2015-17 visited VAGAMON as a part of environmental visit.
- On 5th December 2015 the students of 11th batch visited METCON TMT STEELS MOOVATTUPUZHA and KUNNATHAN CHIP BOARD MOOVATTUPUZHA

MAHASANGRAM 2K15

Mahasangram 2K15, The All India Management Fest of Mangalam Management Studies took off in style, piloted by Mr. C.V Jacob, Chairman of Synthite Group on 8th and 9th of October 2015. Er.Biju Varghese (Chairman, Mangalam Group of Educational Institutions) honoured the Chief Guest by presenting The Life Time Achievement Award. The management events included Best Manager, Business quiz, HR game, Marketing game, Finance game, Treasure hunt, corporate show, Theme dance, Photography etc. DCSMAT Vagomon won the overall Championship.

Dr. Sibu C Chithran, Professor & Head (Management Studies):

- Presented a research paper on "Bettering learning engagement of business challenges" in the fifth International Conference on Managing Uncertainties of Business held at Loyola College of social Science Thiruvananthapuram.
- Contributed 5th Chapter titled in the book "Value creation in services: issues and challenges" ,Excel India, New Delhi.

MANGALAM SCHOOL OF ARCHITECTURE AND PLANNING

ADJUDGED QUALITY FROM MASAP

The CoA Inspection committee which visited MASAP 2014-15 has appreciated the academic ambience and awarded good rating. The External Jury members (including very senior practicing Architects) who evaluated the studios of S1S2 and S3 have recorded their positive comments which was also reflected in the scores of students. In Zonal NASA (National Association of Student Architects) the studio projects of S1S2 2014-15 batch was shortlisted within 10 among 78 participation institutions in spite of the fact that the institution commenced only in 2014.

M C VARGHESE COLLEGE OF ARTS AND SCIENCE

In the strides of progress

The new guiding light: Prof. Jacob Kurian Onattu

Prof. Jacob Kurian Onattu took over as Principal of M. C. Varghese College on 1st June 2015. Earlier he was Principal of K. G. College, Pampady (2001–2008) and Baselius College, Kottayam (2008–2015). Prof. Jacob Kurian Onattu is a winner of several awards and honours. These include Outstanding Speaker of the year Award by Kerala Junior Chamber (twice), Dr. M. V. Pylee Award for the Best Principal of Kerala (2013) and Dr. Sam Higginbottom National Award for the Best Principal (2014).

MANGAL- WAR 2K16.

A battle of wits

God willing, our first ever Management Fest will be held on our own campus on 30th January 2016.

The fest is aptly christened 'MANGALWAR 2K16', a battle of wits in Mangalam Campus.

A New Façade

On 14th September 2015, Fr. Dr. M. P. George blessed the new office block of the Arts & Science College. Chairman Mr. Biju Varghese, Legal Advisor Adv. Dr. Abraham Chettissery and Heads of all sister institutions attended the ceremony.

MANGALAM PUBLIC SCHOOLS

(STATE)

JUNIOR RED CROSS (JRD)

The Red Cross unit helps the Students from Mangalam EMRHSS to involve themselves in community services and crisis management activities.

TO SERVE, THRIVE AND TO HAVE A PLACE.

We recognized that all students are equally talented within our exceptionally supporting community, students develop positive relationship and relish the opportunity to realize their individual potential. For the last few years with our With this motive we had joined with Malayala Manorama Nallapadam Project. And on the 4 th july 2014.this years action plan for these project was inaugurated by Dr.ARUN. Senior consultant at Kottayam Medical College by lighting the lamp... Our school has collected an amount of Rs.5000 for helping the needy was handed over to an old age home 'Snehalayam'.

(CBSE)

In Search of Sustainable Ecology

For the unity of Human family in caring the environmental harmony the students and teachers of CBSE conducted an awareness procession "Santa Run", through the roads of Etumanoor.

MANGALAM CBSE

Excellent Performance In Sahodaya Sargasangamam

Students of CBSE school bagged 1st position with A grade in Mime competition held at placid school chethippuzha as a part of sahodaya district kalolsavam (Sargasangamam).A total of 42 teams participated in the item and our team overtook all.The same team won A grade in the sahodaya state kalolsavam for the same item held at devamatha cmi school thrissur. our group song team also won A grade in district competition and many individual prizes were also scored.

SPORTS

Basket Ball Team again bagged the Trophy

Mangalam College of Engineering finished as the First Runner Up in the MG University South Zone Basket Ball Tournament held at St. Dominic College, Kanjirappally. Kiran Sajan of S3 Civil was a member of our college basket ball team. They won the CET Championship tournament as runner up held at Trivandrum, Mar Basalios (MBC) Trophy and St. Joseph's Pala (PACE-2015) Basket Ball Trophy held at Choondacherry, Pala.

CAMPUS NEWS

MANGALAM'S OWN RADIO

Mangalam Campus has planned to launch a community FM Radio – Radio Mangalam 91.2. The recording station is within the Mangalam Campus, which makes it easily accessible to the students. Its range is entire Kottayam and the reachable places of other districts. Radio jockey, Casual Announcers and the dubbing artist will be the students themselves..

CAMPUS CELEBRATED CHRISTMAS WITH ALL ITS CHARM

On the 18th of December we sumptuously celebrated the merry Christmas with all its charm and piety. All Mangalam educational institutions sung the holy carol songs and Mr. Biju Varghese delivered the message. The main spiritual insight was given to us by Swami. Gururethnam jnana Thapswei, the Organising Secretary of santhigiri Ashram.

DEPARTMENT OF PLACEMENT AND TRAINING

“Building your future together, Today”

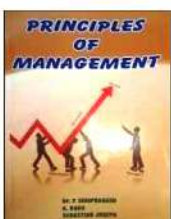

Mr. Sebastian Joseph took over the Head Corporate Relations.

Mr. Sebastian Joseph is a Professor cum Trainer based in India. He is a research scholar doing his research in Safety Engineering. He has grabbed the Post graduate degree (M.Tech) from Govt. Engineering College (Rajiv Gandhi Institute of Technology) Kottayam in Industrial Engineering. He is an Executive Committee Member of All Kerala Placement Officers Consortium (CTIPS).

He is active member of All India Placement Officers Consortium. He has published Four Technical Books, published three patents, and published more than five papers in International Journals. He has attended numerous international conferences, seminars and workshops in India as well as abroad and was fortunate enough to be trained by experts from the US, UK and Australia. He will train the candidates to be ready to seek out new responsibilities irrespective of reward and recognition. The way to strive for quality, result-orientation with fast-pace in everything they do. The ways to become Innovative, Self-Motivated, Good Team player, Problem solver. He is a specialized trainer in English Language, soft skill, communication skill, personality development, teacher development, career orientation and finishing skills in corporate as well as educational sector.

The Central Placement Cell of Mangalam Educational Institutions is constituted under the dynamic leadership of Mr. Sebastian Joseph Associate Prof. & Head-Corporate Relations, Training & Placements; Asst. Placement Co-ordinator, selected Department Placement coordinators from the faculty and volunteers from the student fraternity. They have been tasked with the responsibility to ensure sound and practical career guidance, counseling and placement assistance to the students.

Mr. Sebastian Joseph, Associate Prof. EEE dept. & Head Corporate Relations Published Technical Textbook “Principles Of Management” in 2015.
