## DETAILS OF THE DESIGN

---

**1. Please suggest a descriptive title for your design:**

(The title should have a maximum of 10 words. It must be such that it best describes your invention)

**2. A brief write-up on the article (For understanding of nature and novelty of the article).**

**3. Please share Soft copies of colour photographs (with white background) depicting the design exactly through the following views:**

**(i) a front view,**

**(ii) a rear view,**

**(iii) a left side view,**

**(iv) a right side view,**

**(v) a top view,**

**(vi) a bottom view and**

**(vii) a top perspective view (take any top left or top right-angle view at 45 degree from top position).**

[Kindly note that, the color photographs should be taken exactly from a top, a bottom, a front, a rear, a left side view, a right-side view, and a top perspective view without interference of any other object in the background. The photographs should be in JPEG format].

**4. Has the design been published or disclosed to anyone outside of your organization?**

(This includes family and/or friends. Please note that publishing or disclosing your invention/design to anyone outside of your organization is very important to consider because India follows the first to file system. In other words, among persons having filed the same invention/design, the first to file is granted a patent. Publishing and disclosing your invention/design prior to filing can jeopardize your chances of obtaining a patent for your invention/design)

**5. Is there any such publication or disclosure planned? If so, provide date and details.**

**6. What products or processes currently implement your design?**

**7. Please provide details of each person who has contributed to the conception of the design:**
